File 004—“A Woman’s Greatest Desire”**

Gentlemen, would you like to know what a woman’s greatest desire is?
I am Fr. Thomas J. Loya with a theology of the body moment for the Tabor
Life Institute.

Women have an open space inside their bodies. It’s called a womb.
By its very nature an open space seeks to be filled. A woman’s greatest
desire therefore is to be ful-filled through intimate, meaningful, relationship.
This is why, gentlemen, women need to actually hear the words, “I love
you.” Pope John Paul II said that man is the one who loves, and woman is
the one who *is* loved.

In the order of creation, it is all about the bride. And men actually become
real men by making sure it is all about the bride. This is because men have
the same body as Jesus Christ! And for Jesus Christ, it was all about His
bride.
